

# FUNCTIONS AT NEVERMIND

Nevermind Bar has various areas available for function bookings for between 20 and 300 people.

The most popular area is the Nevermind private Rooftop deck and bar area.

Catering for up to 110 people and licensed until 3am, the private area consists of an all weather heated rooftop deck, private bar and internal bar lounge area.

The private area has stand-alone audio system, or is able to be connected to our in house music. The Rooftop hosts a 60" flat screen ideal for presentations or slide shows. A microphone is available for speeches at no charge.

Decoration is no issue on the Rooftop, you're welcome to use Blu-Tack, confetti, put up balloons, streamers or posters – stick, paste and decorate away!

Our more intimate Den & Lounge area is also available for semi-exclusive booking for up to 50 guests. The Den & Lounge has lounge seating (not surprisingly), access to a small outdoor area, a large screen for presentations and a pool table for your exclusive use. Drinks are available at the main bar.

Awesome function food from the guys at our Le Grille kitchen is on offer, available on a per-platter or per head basis. If you are meat/dairy averse don't be put off by the name, the guys do some great vegetarian and Vegan friendly items as well. Please submit an email enquiry for current catering options.

Our popular beverage packages are also available on the Rooftop with your private bar, alternately drinks are all available at bar prices, with bar tabs tailored for your party. Please see our attached drinks list for pricing.

There is no room hire or booking fee, though during peak times we do ask that a pre-paid food and beverage minimum tab be met to secure exclusive use of areas.

Forget about the hassle and bother of setting up a party, worrying about having to deal with gatecrashers, spending the night serving food & drinks, and then cleaning up party mess. It's what we do.

Nevermind bar have friendly licensed Crowd Controllers on premises most nights. Additional security staff can be organized if requested.

Give us a shout on 9819 0078 or email [info@nevermindbar.com.au](mailto:info@nevermindbar.com.au) if you'd like to come and inspect the space, check a date, look at catering options or any further information.
